## **KARA ARMAS SELECTED TO SERVE HOUSE DISTRICT 8, PLEDGES CONTINUITY AND CONSERVATIVE LEADERSHIP**

**BENTON COUNTY, Ark. — August 14, 2026** — Kara Armas has been selected as the Republican nominee to serve as State Representative for Arkansas House District 8, pledging to be a fierce advocate for the district to ensure continuity and momentum during the transition to the next General Assembly.

*"Serving as State Representative was certainly not on my bingo card when this year began," Armas said. "But sometimes we are called to serve in ways—and at times—we never expected. When that happens, you answer the call."*

Armas said that regardless of the relatively short period she may serve in the seat, she intends to approach the responsibility with urgency.

*"To the 31,000 people of District 8 who will be entrusted to me: however short my time in this seat may be, I promise to be a fierce advocate for you," Armas said. "I will work hard, listen carefully, and defend the conservative values of the people of Benton County."*

Armas will work closely with her husband, State Representative-elect Brian Armas, who will assume the House District 8 seat in January. She said the unusual transition provides an opportunity not merely to maintain representation for the district, but to build momentum heading into the next legislative session.

*"I have had the privilege of watching Brian work tirelessly for his constituents. I have watched him stand firmly for property rights and against government overreach, and I know how deeply he cares about the people of Benton County," she said.*

Brian and Kara Armas have built their life and raised their family in Northwest Arkansas. With eight children and seven grandchildren, Kara said their shared commitment to public service is rooted in the kind of Arkansas they hope to leave to future generations.

*"We want our children and grandchildren to inherit a state where families can flourish, property rights are respected, government is limited, and our conservative values are protected," Armas said.*

*"These unusual circumstances have given us a unique opportunity," Armas said. "We will be a team—working day and night, in complete harmony. Fortunately, we have nearly 30 years of experience doing exactly that."*

Armas pledged that her service will be grounded in faith, service, and the conservative principles of District 8.

*"I am humbled by the trust placed in me, I am ready to serve, and I will work every day to be worthy of it."*

### **About Kara Armas**

Kara Armas is the Republican nominee for Arkansas House District 8. She and her husband, State Representative-elect Brian Armas, have first moved to Pea Ridge more than 23 years ago. Together they have eight children and seven grandchildren and share a commitment to faith, family, limited government, property rights, and preserving the values that have made Northwest Arkansas a place where families can thrive.
